Yes. All items are reserved on a first come first serve basis. It is recommended that you reserve your items early to be guaranteed the equipment needed for your event.

Rental time period.

All prices quoted are for a one day time period. You may pickup or have your items delivered the day before your event and return them or have them picked up the day after your event. Weekends are counted as one day with delivery on Friday and pickup on Monday.

When do I Pay?

A 50% deposit is required at the time the reservation is made. Without a deposit we cannot guarantee your equipment will be available when you need it. The balance is due 72 hours prior to receiving the equipment.

Can I cancel or make adjustments to my order?

Yes. You may make changes to your order up to 7 days prior to delivery or will call. Any reductions or cancellations after the 7 day cancellation period will result in the forfeiture of your deposit. Remember, when you reserve an item we are guaranteeing that you will receive that item and we will not rent it for another event. Special order items may be charged at their full rate if cancelled after the 7 day cancellation period. There is a 14 day cancellation policy for all tents or canopies.

Do you deliver and setup the equipment?

Yes. We can deliver and setup all of your equipment at your request. There are additional fees for these services which may vary depending on your location and specific site needs. Delivery is within 20' of the back of the truck and does not include setup or striking of the equipment. Setup services must be requested in advance of the delivery day. Remember, we provide equipment for many events each week, any last minute delays affect everyone that day.

How do I care for the equipment?

It is your responsibility, from the time of receipt until the time of return, to keep all items secure from theft and damage. This includes water damage from rain. Should you have a special situation please let us know and we will be happy to work on a solution for your event. All dish items should be rinsed and repacked.
